ABOUT US

M&A World, the global network of merger and acquisition professionals, is the most cutting-edge independent provider of efficient and innovative solutions in cross-boarder transactions across the globe and across all sectors.

Facing the challenges of the economic circumstances M&A advisory went through a strong paradigm shift in recent years. Traditional advisory became slow and inefficient. M&A World jumped forward!

We developed an entirely completely new transaction advisory method based on an unique philosophy. We combine traditional values and international standards with innovative, digitalized Business IT Solutions. By following our guideline and services, M&A World significantly reduces the amount of time it takes to close a deal with guarantee.

NETWORKING

M&A World provides the widest range of global network of merger and acquisition professionals. More than 550 M&A professionals from over 125 countries are working closely together in order to deliver all the undertaken transactions with a successful outcome.

Members are selected because they adhere to the highest standards of professionalism and integrity, as well as share our desire to serve clients.

“Coming together is a beginning;
keeping together is progress;
working together is success.”

Henry Ford

SUPPORT CENTER

M&A World partnership was created 20 years ago by international investors in the heart of Europe with the mission to raise merger and acquisition advisory to a higher level. In 2009 the first and in 2022 the second Business Support Center were established. We provide high-end, complex solutions based on international standards to support our members and partners worldwide.

Our professionals bring to the table superior expertise and knowledge in transaction services. Given our in-depth knowledge of the market, we understand the industrial needs and the unique challenges. Our team members are specialized in different fields of transaction services, which enables them to provide fully complex advisory service.
